# MILLION DOLLAR QUARTET

Wednesday, June 11, 2025 | Paramount's NEW  
Stolp Island Theatre, Aurora, IL

Member  
FDIC

What transpired on December 4, 1956 was one of the greatest impromptu jam sessions in music history. Join Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins as they experience the highs and lows of fame, and their personal price they pay to live the dream. Come along with Classic Club and delight in this iconic song list: "Blue Suede Shoes", "Walk the Line" and "Great Balls of Fire".

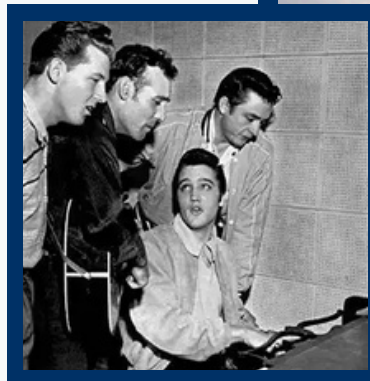

Activity Level:

Sitting in the Stolp Theatre, in a cozy studio alongside the musicians, you will remember that long before arena rock emerged, music was an up close and personal event, and in this bespoke theater of 98 seats, it still is.
